Meetings and Events in Microsoft 365

Microsoft Teams Meetings and Live Events Workshop

Empower and transform your workplace with Microsoft Teams Meetings and Live Events!

Cloud Revolution is an expert in driving modern workplace meeting transformation. We provide tools and resources that ensure employees can meet effectively, intelligently, and securely no matter where they work. We are excited to offer a Microsoft Teams Meetings and Live Events workshop that articulates the power of Teams Meetings, Room Systems, devices, interoperability and Live Events.

This one-day workshop takes you through the Microsoft Teams meeting experience.

- **Teams Meetings** – Understand how Teams meetings can help you achieve more. Covering Skype to Teams meeting transition, legacy equipment interoperability, and more.
- **Teams Rooms Systems and Teams devices** – Experience the power and ease of the meeting join experience
- **Teams Live Events** – Reach 10,000 users with Teams Live Events and learn how to conduct an awesome event
- **Execute** - provides an **Actionable Roadmap** based on your requirements for meetings

One-day Teams Meetings and Live Events workshop: **\$2,000**

*This offer is contingent upon ≥ 500 new Teams users activated for Teams Meetings.
