

## Microsoft Teams

## Microsoft Teams Teamwork Assessment

Empower and transform your workplace with Microsoft Teams!

Cloud Revolution is an expert in driving modern workplace transformation. We provide tools and resources that ensure employees can collaborate effectively and share information securely no matter where they work. We are excited to offer a Teamwork Assessment that shows you how to grow your business and accelerate your digital transformation journey.

Module 1 – Envisioning BDM workshop which leads into a secondary motion of either an Adoption & Change Management workshop, a Calling & Meetings workshop and a Microsoft Teams custom solutions workshop. The result of the overall workshop will be to deliver an actionable roadmap based on assessment findings.

Three phases of the Teamwork Assessment are: Envision, Design and Report

- **Envision** - leverages the **Business Decision Maker workshop**.
- **Design** – **3 workshop options** – **ACM or Calling & Meetings or Teams custom solutions**
- **Report** - provides an **Actionable Roadmap** based on learnings from assessments and design workshops

1-day BDM workshop: **\$2,500**

Add-on 2-day workshop: ACM or Calling & Meetings or Teams custom solutions: **\$5,000**

\*This offer is contingent upon  $\geq 500$  new Teams users activated.
